

RoHS, REACH, and TSCA Compliance Declaration

HandyTube Corporation is dedicated to supplying high quality stainless steel and nickel alloys that meets environmental regulations including Restriction of Hazardous Substances (RoHS) Directives (EU) 2002/95EC, (EU) 2011/65, and (EU) 2015/863. This declaration also incorporates Registration, Authorization and Restriction of Chemicals (REACH) Directive (EU) 1907/2006, and the Toxic Substances Control Act (TSCA). All materials used for manufactured products by HandyTube Corporation comply with the relevant RoHS, REACH, and TSCA threshold limits.

RoHS Compliance

- HandyTube Corporation certifies that all our products conform to the requirements of the European Union's Restrictions on use of Certain Hazardous Substances in the Electrical and Electronic Equipment under directives (EU) 2002/95EC, (EU) 2011/65, and (EU) 2015/863.

REACH Compliance

- Under the structure of REACH regulation, HandyTube Corporation manufactures and supplies 'articles' to our customers, we do not manufacture 'substances' or 'preparations' and our articles do not involve the 'intentional release of substances.' Accordingly, we foresee no registration or preregistration requirements for the products we currently supply.
- HandyTube Corporation will continue to monitor products supplied for the occurrence of the 233 'Substances of Very High Concern' (SVHC), as defined by the newest REACH list dated January 17th, 2023.

TSCA Compliance

- HandyTube Corporation certifies that all our products conform to the applicable rules or order under TSCA and are not offering a chemical substance for entry in violation of the TSCA or any applicable rule or order thereunder.

This letter certifies that all our products comply with RoHS, REACH, and TSCA regulations.

Respectfully,

Rebecca Reimer
Environmental, Health and Safety Manager
